2024-25 Newsletter

First Day of School
August 21, 2024
Doors Open at 8am!

From the Superintendent's desk...

We Proceed On!

As we prepare for the 2024-2025 school year, I want to express my heartfelt gratitude to our amazing community for contributing to the success of the past year. The core values of pride, integrity, work ethic, empathy, and belonging that define our school are truly reflected in our strong network of parents, friends, family, community members, and local businesses. Thank you to everyone in Joliet for embodying these values and serving as role models for our students. Our efforts in the classroom are a genuine partnership between school and home.

The students and staff in Joliet are accomplishing amazing things. In May, we celebrated the graduation of an exceptional group of seniors who are now pursuing trade schools, engineering programs, collegiate athletics, entering the workforce, and exploring other exciting opportunities.

11 of our 12 classes are above the national average for their achievement in mathematics. 76% of our K-5 students are at or above grade level in reading. In math, 70% of K-5 are at grade level or above, a 5% improvement from last year. The Class of 2025 outpaced their Montana counterparts on the ACT with an average score of 19.6, compared to 19.3 across the state. There is always room to grow, but our community should be incredibly proud of the academic work that is being done at Joliet Schools.

In May, Joliet voters approved the District's ask for a building reserve levy to help fund the maintenance and improvements to our beautiful school. On behalf of the District, thank you for your support. Projects that will be immediately funded with the building reserve levy will include upgraded secure door access to the building, perimeter fencing on the playground, and the lease of a modular classroom to help alleviate overcrowding within the building. This past year, the District engaged in a number of meetings to help develop a long-term facilities master plan. That plan is now complete and adopted by the Board of Trustees. Please be on the lookout for updates regarding upcoming meetings that will be geared towards gathering community input regarding the next steps.

We continue to make efforts to bring to life the District's mission statement that begins with, "in partnership with home and community." At the District level, I am continuing to host Coffee with the Superintendent on the 3rd Tuesday of each month at 9am at the Community Center to discuss issues that are appearing on the monthly Board agenda. The Board of Trustees continues to hold regular committee meetings to discuss issues before they appear on the Board agenda. These meetings are open to the public and we hope to see you there. We encourage everyone to attend or stream all regular board and committee meetings on the District's YouTube Channel to help stay apprised of all District happenings. At the building level, substitute teaching is a great way for parents and community members to get involved, support students, and gain awareness of what's happening within our school. Finally, we have recently added a volunteer application form to our website for those looking to get involved in a more formal way. Contact your child's Principal for more information on volunteer opportunities.

Our grit role models for the 2024-2025 school year are the folks that contributed to the The Lewis and Clark Expedition. Led by Meriwether Lewis and William Clark, this journey pushed the boundaries of exploration. In the face of harsh weather, treacherous terrains, and unforeseen challenges, the expedition members demonstrated unwavering determination and perseverance. Their ability to adapt to new environments, build relationships, and overcome significant obstacles showcases their grit. Their successful return not only expanded the nation's understanding of the western territories but also set a powerful example of courage and tenacity. Today, Lewis and Clark serve as enduring role models, inspiring us to confront our challenges with resilience and a steadfast commitment to our goals.

We Proceed On!

From the 6-12th Principal...

Hello and happy summer! I hope you are enjoying family time and all that a long break has to offer! I'm excited to begin my 3rd year as the 6th-12th grade principal and looking forward to a year filled with opportunities and growth for our students! We value parental and community relationships and support, and I strongly believe this enhances the quality of education at Joliet Schools. Please don't hesitate to reach out and be involved in your children's experiences and endeavors.

Registration for juniors and seniors will be Tuesday, August 6th, and freshmen and sophomores will be Wednesday, August 7th. Information packets will be mailed to all high school students with class and time details. In regards to middle school, the district will handle all scheduling for your student(s) before the beginning of the 2024-2025 school year. Specific to middle school students, please talk with your child regarding their choice of either band, choir, or study hall. Band runs on Monday, Wednesday, and Friday. Choir runs on Tuesday and Thursday. Students may elect to take band and/or choir, and they will be enrolled in a study hall during off days. They will be asked to communicate their choice to their first period teacher on the first day of school.

I encourage you to read the newsletter and keep the enclosed calendar for future reference to assist you with school dates and activities. Please feel free to call, stop in, or email with any questions or concerns. I hope you will become an active part of the school community and enjoy our students and the activities they pursue. We look forward to being a partner in the lives and education of your children!

- Sincerely, Mandi Hernandez, 6-12th Principal

Burgers, Chips & Drinks!!

From the K1-5th Principal...

Hello J-Hawks!

As we embark on a new school year, I want to take a moment to reflect on the incredible achievements of our students and the support from our community during the past year. Our students demonstrated remarkable growth academically, with many achieving personal bests. We owe a significant part of this success to our dedicated teachers, supportive families, and the collaborative efforts that make our school a thriving educational environment.

We are thrilled to announce that all 11 homeroom elementary teachers are returning this year, bringing consistency and experience to our classrooms. Moreover, due to our growing student body, we are adding an additional 4th grade classroom to better meet our students' needs.

Looking ahead, we have some exciting changes and proposals for the upcoming school year. One significant proposed change is the transition of grades 3-5 to traditional letter grades for their core subjects. This shift aims to provide clearer feedback on student progress and better prepare them for future academic expectations. While this is still a proposal, we will keep you informed as we gather feedback and finalize our plans.

We are also excited to announce the expansion of our parent volunteer program. This initiative will offer more opportunities for parents to engage directly within their child's classroom, strengthening the home-school connection and providing additional support to our teachers and students. There is now a volunteer application available on the school website. Please contact me for further information about the program.

Thank you for your continued partnership and support. Together, we can make this school year another successful and enriching experience for our students.

- Best Regards, Joey Richert

Academic Achievement - Testing

We do a variety of testing throughout the year at Joliet School. These include MAP (Measures of Academic Progress), SBAC (Smarter Balanced Assessment Consortium), ACT (American College Testing), PSAT (Preliminary Scholastic Aptitude Test), and ASVAB (Armed Services Vocational Aptitude Battery).

In this newsletter, we've included a glimpse of the 2023-2024 results for schoolwide reading, math, and science. Kindergarten through 11th grade does MAPs reading testing, Kindergarten through 5th grade does iReady math testing, 6th-11th grade does MAPs math testing. We have developed a link on our school website https://docs.google.com/spreadsheets/d/1QBr4scW6UQk_wzyJbu54NHfw09SrZhsLr3L2GMDzbKg/edit?gid=0#gid=0 that provides more detailed information on grade level and subject area testing data. If you would like specific information pertaining to your child's results, please contact the school.

Joliet BOOSTER CLUB

PO. Box 115
Joliet, MT 59041

Joliet J-Hawk Parents and Supporters,

The Joliet Booster Club is a volunteer organization of J-Hawk supporters that has a proud tradition of providing financial assistance for student activities through our membership drives and fund-raising efforts. The Joliet Booster Club supports the school's athletic teams, student-oriented clubs, and extra-curricular activities. If your child/children or grandchildren are in any of these programs, we would like you to support them by joining the Booster Club!

Some of the ways we support the programs, activities and clubs is by giving financial assistance for gear, homemade lunches for long distance travel, scholarships and much more!

With your membership we will be able to continue to do the things we have previously done and hopefully add in a few new ways to support the students this year. Please fill out the information below and mail back to the address above. Each Century Club, Family/Couple, and Senior Couple membership comes with a choice of two T-shirts or one T-shirt and one hat. Single/Individual memberships come with the choice of a T-shirt or a hat.

For questions please contact: Marilvn Vukonich 406-855-7238 Jill Brookings 406-425-2146 Danielle Sullivan 425-931-1207

Receipt and Review of Student Handbook

Under the Family Education Rights and Privacy Act (FERPA), no personally identifiable information maintained by the district may be released without the consent of the parent/guardian or eligible student. An exception to this rule is when the district publishes directory information about its students: a student's name, participation in officially recognized activities and sports, weight/height of members of athletic teams, photographs, dates of attendance, and awards received in school. This information may be published in sports programs, music and drama programs, news releases, yearbooks, webpage, etc. Parents/guardians may request that the school not publish this information on their child by contacting the school with their request.

I have read a copy of the Joliet Elementary School Student Handbook and I have had my questions answered. I have also shared and discussed this handbook with my parent/guardian. I understand that I am responsible for the contents. I also understand that I will be allowed to participate in co/extra-curricular activities after my parents/guardians and I have signed this page and it is returned to the office.

As a student, I have read the Joliet School District Computer Acceptable Use Policy and agree to abide by its provisions. As a parent/guardian, I have read the Joliet School District Computer Acceptable Use Policy and understand that it is impossible for the Joliet School District to restrict access to all controversial material, and I will not hold the District responsible for controversial material my child acquires on the internet.

I have read and agree to abide by the Athletic/Activities Code section of this handbook. I understand that training rules are in effect from the first day of school through the last day of school. I understand that there are consequences for breaking these rules that include but are not limited to suspension from competitions and possible termination of participation in the activity. As a parent/guardian I give my child permission to travel with the team or group on school sanctioned contests and activities. I understand that if my child misses class for one of these activities, he/she is responsible for the material missed, and may not use participation in the activity as an excuse not to turn in an assignment when due. I give my permission for the trainer, coach, and qualified (First Aid Certified) school personnel to apply first aid treatment until the family doctor can be contacted. I give my consent for athletic trainers to evaluate & provide ongoing treatment and assessment for sports injuries.
