2019-20 Newsletter

## From the Superintendent's desk...

Hello Joliet Families, Staff and Community Members!

I write to you today from a stronger, more efficient and more competitive school district.

During the past year, Joliet High School won the Distinguished Schools Award, which is a National award recognizing federally funded schools for their outstanding academic achievements. We also concluded year two of a five-year technology levy, which permitted more technological advances school wide. In addition to the tech levy, and with the continued generosity of stakeholders, we passed a building reserve levy this year. This building reserve levy will allow us to work on long-overdue facility projects. Many thanks to those who voted favorably and persist in their unwavering commitment to our core values as a community. The students continue to benefit from improvements prioritized by big-hearted constituents. Thank you!

Another exciting award Joliet High School received was the Aim Higher Award. During the MHSA Annual Meeting this year, Joliet was the only school recognized for their continued participation. The Aim Higher Program began in 1989 and focuses on leadership, mentoring, making correct choices and sportsmanship. MHSA made a video about Joliet School and presented the video in open forum, along with a plaque. The District sustains and prioritizes leadership for our student body through intentional means, as is evidenced by nods of excellence from reputable organizations like MHSA.

While receiving evidence of high standards in academics and extra-curricular activities, we sustained a focus on safety. The Safety Committee identified more areas in need of risk mitigation, and, as a result, we incorporated reasonable security / emergency preparedness measures. The entire staff completed a full day of active shooter training, the District installed safety film on another bank of windows and all main entrances, and we purchased trauma treatment kits placed strategically around the school. Additionally, we conducted several drills and discussed the communication aspects as they relate to policies, procedures and systems. To help foster an environment of inclusion and acceptance for all students, we also created an online bullying form. In conjunction with the Joliet staff and Board of Trustees, the Safety Committee continues to work on expectations of safety and the prevention of negative incidents on campus. It is powerful work completed by empowered people as we strive to keep our kids safe.

A large part of school safety stems from creating an emotionally safe environment. OPI was most impressed with our student mentoring program newly developed last year. The District-wide program manifested itself from MBI team efforts and engages our students in activities to strengthen peer-to-peer communication. High school students meet weekly with their mentoring buddy, and embark on quality time. The Joliet Mentoring Program aligns well with MBI/MTSS framework. Though the State's Montana Behavior Initiative (MBI) is morphing into Multi-Tiered Systems of Support (MTSS), the ideas remain intact. This framework ensures that ALL students at Joliet Public School are provided with high quality instruction and interventions that are evidence based. MTSS ensures that students' academic and social-emotional/behavioral needs are met, while their personal growth, their motivation, their connection, and their resilience are improved within a safe and supportive learning environment. We continue to SOAR with the assistance of the MTSS Student Team and MTSS Committee (J-Hawks are Safe and welcoming, Organized, Accountable and Responsible and Respectful).

Overall, we have acted deliberately to improve our academic performance with prudent decision making, and have laid more foundation for programs conducive to making us a greater organization. The responsible operations have kept us healthy, and we are looking forward to another spectacular year. Enjoy the rest of summer, and we'll see you at the barbeque during our annual open house.

Respectfully, Allison B. Evertz, Superintendent of JPS

## From Mr. Begger...

The 2018 - 2019 school year was a great success.

After just a few days on the job as the Elementary Principal, it became obvious that there are substantial efforts being made towards creating a positive climate and culture for students, staff, and community members.

On the first day of school, and throughout the year, I was greeted by happy students, smiling faces, please, thank you, door holding, removing of hats, and a host of other great mannerisms. These traits are evidence of the strong family support structures in place here in the community. Please keep up the good work.

When it comes to overall education environment, we are always looking to get better. With this in mind, there are a couple of changes to the educational program of which you should be aware.

The first change will be the increased integration of 6th grade into the junior high school. One reason for this change is to introduce 6th graders to the bell schedule and moving between classes within a small window of time. Keeping with tradition, 6th graders will be split into two groups and have two primary teachers. These teachers will instruct the core academic areas of Math, Science, English Language Arts, and Social Studies. With that said, 6th grade will, for the most part, transition between these core subjects and teachers with the middle school bell schedule. We find that 7th graders often struggle with the transition into 7th grade as a result of juggling classes and more teachers. This move is intended to curb those challenges.

Another change will be the adoption of standards based grading from 3rd through 6th grade. Students and parents in those grades will no longer see traditional letter grades. Instead, students and parents will see their progress toward a specific educational standard like, "write narratives in which they recount a short sequence of events." Or, "demonstrate command of the conventions of standard English grammar." The purpose behind this shift is to communicate to students and parents progress towards specific skills that classroom instructors are teaching. We believe this targeted reporting helps students focus their learning so improvement can be made. The traditional letter grading system is vague and doesn't specify growth areas. This past year, Kindergarten through 2nd grade reported progress to students and parents with a standards based mindset. Please plan to attend a presentation on standards based grading during orientation in the fall.

I look forward to working with the students, parents, and community members of Joliet in the coming school year.

Be Great!  
Clark Begger, K-8 Principal

## MEDICINES

### SUBMITTED YEARLY TO DISTRICT OFFICE

Please return the form for "Self Administration of Medication in Schools" to Mrs. Williams' office. All medications, including over-the-counter medications must remain in the original packaging and cannot be administered without this form on file at the office. ALL medications should be turned into the office, with the exception of asthmatic students who keep their inhalers with them for immediate use. Medicines must not be kept in lockers or backpacks. This policy is in place for the safety of your children.

## SPORTS PHYSICALS

WERE HELD IN JUNE & JULY, AT AREA CLINICS...

### WE HOPE YOU HAD A CHANCE TO GO!

Article II, Section (3) of the MHSA Handbook requires that a physical exam must be performed for each student in order for that student to be considered eligible for participation in an Association Contest. Physical exams must be completed prior to the first practice. This examination must be certified by a licensed medical professional acting within the scope and limitations of his/her practice. This certification is valid for a period of one school year. A physical examination conducted before May 1st is not valid for participation for the following school year.

## JOLIET BOOSTER CLUB

Become an important part of your community and school... **JOIN THE JOLIET BOOSTERS!** JHS students are enthusiastic about their extracurricular activities, but funding these activities is expensive. There continues to be an urgent need for a strong, active and visible Booster Club to support our students' activities.

For more information, please contact:

Melissa Oswald, 4170 HWY 310, JOLIET, MT 59041, 406-860-0828

## STUDENT INFORMATION

### SUBMITTED YEARLY TO DISTRICT OFFICE

The Student Information Sheet is handed out yearly for guardians to fill out and return to Mrs. Williams at the District Office. **Even if your students' information hasn't changed, a new form is required.** New addresses, phone numbers, new cell phone numbers, guardian work place changes, emergency contact info, email changes, insurance changes, and medical information is all needed information.

Thank you for getting those back to us BEFORE school begins. The form is available for printing from the Joliet Public Schools website under District Information, Forms and Downloads, Student Forms.

[www.gojhawks.com](http://www.gojhawks.com)

## INSURANCE

### JOLIET PUBLIC SCHOOLS CARRIES SUPPLEMENTAL INSURANCE FROM NORTHWESTERN SCHOLASTIC INSURANCE

Forms are available from Mrs. Williams at the District Office. This insurance covers students: a) attending regular school sessions, b) participating in sponsored interscholastic sports, c) participating in school sponsored extracurricular activities, and d) traveling directly to and from school for regular school sessions and to and from school sponsored extracurricular activities while under the supervision of a school employee. This is a secondary insurance and has limited coverage.

Boys had a good year and played in the district title for the 3rd year in a row. We lose 3 seniors with a ton of experience so next year we need some kids to step up. - Coach John Nelson

## J-Hawk Boys & Girls Track 2018-19

2019 track season was a successful year. We had 31 athletes out this year. There were numerous personal best accomplished as well as athletes leaving their comfort zone and trying new events that they seen success in. Seventeen athletes moved on from districts to divisional. Then of those seven went on to state. In Kalispell at the State B track and field meet, the athletes competed well and had many pr's. **Rylan Olson placed first in triple jump, second in long jump and fourth in high jump. Caleb Bailey placed fourth in triple jump, and Kallie Zinne placed second in high jump.** The 2019 seniors will definitely be missed next year, but we have some returning and incoming athletes that with hard work and good attitudes will be contenders at the post season meets next year. Looking forward to the 2020 track and field season.

**MEDICATION REQUEST (Prescription & Over the Counter)**  
**SELF-ADMINISTER MEDICATION (ASTHMA)**  
**School Year 2019-2020 (Renew each year)**

For all over the counter medicines, a doctor signature is not needed, but this form is!!  
All medicines must be brought to the District Secretary's office. Your child's name will be put on the bottle, so there will be no mix-up. Asthma medication may be carried on the person & administered, but this medication form must be completed by doctor and parent/guardian & be kept on file at the office. By signing this form you agree that the student may self-administer his/her asthma medicine (only) on his/her own without school personnel supervision.

I request that Joliet Public Schools (office personnel) allow my child to take the medication as directed above. I authorize the release & exchange of health information from the above health care provider to the Carbon County School Nurse & the school. A health care provider's signature will be required for all prescription medication use. The School District, Carbon County School Nurse, or the school office will not be held liable in anyway due to the administration of medication described above.

PARENT/GUARDIAN NOTE: It is the responsibility of the parent/guardian to furnish the medication. Medication must be in the original prescription bottle with a pharmacy label including child's name, name of medication, dosage, time to be taken, duration of time to be taken, & the physician's name. Non-prescription medications must be in the original bottle/container. Any changes to the medication will require new consent forms to be completed. To avoid adverse medication reactions at school, the first dose of medication must be administered at home. Any unused medication not picked up at the end of the school year will be disposed of.
